Call for Nominations – 2019/2020 Academic Year
OIE Out-of-State-Tuition Waivers for International Students

The Office of International Education has been allocated a limited number of out-of-state tuition waivers for use by outstanding international students. We invite nominations from unit heads (Deans, Directors, or Department Heads) on behalf of outstanding international students for receipt of these waiver awards for the 2019-20 academic year. Details regarding the nomination process and eligibility are outlined below.

- Undergraduate or graduate students are eligible.
  - Current undergraduate students must possess and maintain a 3.0 GPA for the duration of the award.
  - Current graduate students must possess and maintain a 3.5 cumulative GPA for the duration of the award.
  - LLM students may show GPA specific to relevant coursework, rather than over-all GPA
  - Newly admitted nominees who have been accepted for admission in Fall 2019 should have a minimum 3.30 undergraduate GPA, or a 3.50 graduate GPA, if grad work has been completed elsewhere.
  - Returning international students with grades of Incomplete (I) or Unsatisfactory (U) in courses taken at UGA are not eligible for this waiver.
- Current students as well as recently admitted students are both eligible.
- Waivers may be applied in the summer term as well, if requested.

Nomination Process
Unit heads (Deans, Directors or Department Heads), or their appointed representatives (such as graduate coordinators; business managers, etc...) may nominate outstanding international students, undergraduate or graduate, who are currently enrolled or enrolling in degree programs within the college. No department may nominate more than three students, and each nomination must be ranked 1,2 or 3. The Department Head or Dean will receive an email asking them to confirm support for the nomination. This confirmation must be submitted or the nomination will not be reviewed.
• Nominations should include for each student a brief statement from the nominating unit stating the reason(s) the student should receive the award; (no more than three or four sentences).
• Nominations will be accepted between January 7th, 2019 and April 8th, 2019, and reviewed by the waiver committee in OIE.
• Notifications as to approvals / denials of waivers will be issued by the end of April. Notifications for initial students may be issued earlier than April, depending on the department.
