iStart Student User Guide
iStart.uga.edu | Immigration Services | Office of International Education | immigration@uga.edu

iStart is the UGA Immigration Services portal for international students.
You will use iStart to request benefits and to update our office about any changes in your information.

Here’s how to use it:

1. Go to iStart.uga.edu

2. If you have a UGA MyID, click “UGA MyID Login”.
   If you do not have a UGA MyID, you will use the “Limited Services” button to log in. You will enter your University ID number (81xxxxxxx), your date of birth, and a PIN. You will get your PIN in an email from immigration@uga.edu.

3. After logging in, use the menus on the left to find the form you need. If you need help finding a form, please email immigration@uga.edu.
